## **GENERAL RULES**

This general rule section applies to each and every racer, mechanic and/or pit personnel. Some items, obviously, do not apply to each class - you can easily determine which rules do not apply to you. You are expected to know the rules. Ignorance will not be tolerated as an excuse. Every driver must inspect the racing surface and the race track to learn of any defects, obstructions, or anything which, in his opinion, is unsafe and he shall report that condition in writing to the Speedway Management. Any driver entering any racing events is considered to have inspected the track and all conditions are satisfactory to him....if not, THEY SHOULD NOT RACE. The participation further indicates that he is aware that auto racing involves risks and assumes the risks with full awareness and knowledge.
